16th SINGAPORE SOCIETY OF NEPHROLOGY ANNUAL SCIENTIFIC MEETING 2026

Advancing Nephrology Care: Integrating Technology, Therapy, and Nutrition

25-27 September 2026

SPONSORSHIP INVITATION

Dear Valued Partners,

On behalf of the Organising Committee, we wish to invite you to the 16th Singapore Society of Nephrology Annual Scientific Meeting, from 25 – 27 September 2026.

This year's theme, "**Advancing Nephrology Care: Integrating Technology, Therapy, and Nutrition,**" will place special emphasis on key pillars of nephrology practice, namely Dialysis, Transplantation, and Nutrition. The scientific programme will be thoughtfully structured to showcase updates, innovations, and practical advances across these focus areas, highlighting how integrated approaches can improve patient outcomes across the continuum of care.

The meeting will feature respected leaders and innovators in the field of nephrology, and we anticipate welcoming approximately 300 delegates. We look forward to a robust and high-level exchange of knowledge on novel therapeutics and progressive approaches to nephrology care throughout the event.

In addition to the scientific programme, the meeting offers excellent opportunities for networking, renewing professional connections, and establishing new collaborations. It also provides a valuable platform for your organisation to showcase products and strengthen brand presence among an influential audience.

We warmly invite your company to participate by sponsoring a symposium and/or exhibition space. There are four main categories of sponsorship, with further details provided in this prospectus.

The Organising Committee looks forward to your support and partnership in making this meeting a success.

Yours sincerely,

A/Prof Jason Choo
